DEMOCRATIC TICKET.

For President-WILLIAM JENNINGS BRYAN, of Nebraska. For Vice-President-JOHN W. KERN, of Indiana

BY MARTIN GREEN.

(Staff Correspondent of The Evening World,) DENVER, July 10.—Having nominated William Jennings Bryan for President in a noisy, all-night session, the Democratic National Convention this afternoon named John W. Kern for Vice-President while a

great storm was raging outside. Mr. Kern's nomination was made by acclamation after the names of Charles A. Towne, of New York; Clark Howell, of Georgia, and Archibald McNeill, of Connecticut, had been placed before the Convention.

On this ticket the Democrats have named a man for President who has been twice defeated as a candidate for that office. They have named for Vice-President a man who has been twice defeated as a nominee for Governor of Indiana.

With characteristic procrastination, the Democratic leaders had not decided upon the Vice-Presidential candidate until after the time for starting the convention this afternoon. Indiana, which had been busy since 6 o'clock this morning, finally succeeded in rounding up the offi-

cial indorsement for their man, John W. Kern. The first business of the convention Kern of Indiana. It was plain that was the placing of Mr. Kern in nomina- the Bryan strength in the convention tion by Thomas W. Marshall, Demo- was for Kern, and it was all over but
